

Foster Adoption Program

Adopt a cat or kitten today! Habitat for Cats has several foster cats ready to **LOVE** you and your family forever.

If you can't adopt, consider being a Foster Parent!! This can be a rewarding fun experience.

All our cats are:

- Tested for FIV/FeLv
- Provided with FVRCP vaccines
- Treated for intestinal parasites
- Treated for fleas, ear mites or other infections as needed
- Spayed/neutered
- Rabies vaccine

All interested in adopting are to fill out an application, sign an agreement, release permission for veterinary references and agree to a home visit. Our adoption fee is \$75.00 which helps defray medical expenses. Donations are always welcome. Most of our foster cats and kittens can be visited every Sunday at Pittsford PetCo on Monroe Avenue from 12-3pm and at PetCo in Canandaigua. (Please call for Canandaigua schedule) You can also view them on line at www.habitatforcats.com

For more information on our program and services email Laraine at mkladymrsv@aol.com , call 585-624-8363 or stop by and see us at PetCo.
